

TRUCKEE HIGH WOLVERINE BOOSTERS CLUB 2020 FAMILY SCHOLARSHIP APPLICATION

Truckee High Wolverine Boosters Club is excited to announce that we enjoy the honor and privilege of awarding up to a total of \$5,000 in scholarships to graduating seniors from Truckee High School every year! As a graduating senior of this year's Class of 2020, you are cordially invited to apply for a chance to secure a scholarship in a sum to be determined by the Boosters Scholarship Committee. You must be bound for continued success at a university, college, junior college, trade or technical school, art or design school, or other continuing education opportunity following graduation.

It is not essential to have an outstanding academic record or demonstrate financial need; but we would like to see evidence of a healthy commitment to your activities, sports or extracurriculars while here at THS, as well as active participation in our Truckee/Tahoe community or beyond, and support of our Boosters Club through volunteerism by yourself and/or your family. Please provide that information on separate pages attached to this cover letter.

Do you or your parents currently participate in Boosters Club functions, attend Boosters meetings, act as officers or board members, or current committee members of the Boosters Club? If yes, please explain further with specific examples, again on separate pages. Also, please complete the following page illustrating your family's contribution to Boosters in the past.

What are your educational plans for 2020/21 and why? Please explain on a separate page.

If you would like to share additional information to be considered with your application please include it on a separate page. Your application may be 1-5 pages and must include this letter.
